MAGIC PLAY has been present on international market of amusement machines for years. Being a manufacturer, we also distribute coin-op machines for the world's biggest brands such as SEGA, NAMCO BANDAI and BAY TEK GAMES. Machines with **MAGIC PLAY** logo can be found in every corner of the world. The offer includes all types of machines: kiddie rides, strength testing machines, prize merchandizers, video games and a ticket redemption. In order to keep up with current trends, the company has been expanding its offer with more and more new products. This year You will find a number of new prize merchandisers, ticket redemption and kiddie games.

DRIFTY CHASE

DRIFTY CHASE

Imagine that you just robbed a bank and the police is on your tail. Jump into your car and try to shake off the pursuit! This game is not about racing, it's about drifting with a trunk full of cash through six insanely crowded cities! Test your skills, drift across the cities and find out if you can be faster than them. Let the DRIFTY CHASE begin!

If you like drifting, race games and high tension, this game is definitely for you! Because of the one tap mechanics you quickly learn the basics of the game. But is that enough to escape the chase?

Amazing car-shaped cabinet, 42" full HD display and additional LED marquee.

TIMBER MAN

One of the world's most addictive mobile titles has now become a video redemption game!

Put on your checkered shirt, pull up your sleeves, pick up the sharpest ax you can get and ... grow a beard. In a moment there will be splinters flying and chopping sounds swirl echo through the forest. Show how quickly and efficiently you can cut down a 100-meter tall pine tree. Be careful though, lumberjack's work is tough and it's easy to get hurt. In addition, time is chasing you in every step not giving even a moment to rest. Show that you are not afraid of such problems and that you are the best lumberjack in the area.

More than 30 000 000 players worldwide cannot be wrong. Timberman is an addictive, captivating and mesmerizing game that takes you to a completely new beard-o-checked dimension of fun. Fantastic graphics displayed on a 42" HD screen, fitted into a stunning, flashy cabinet.
